

COMPLEMENT YOUR NUTRITION

ISAGENIX FRUITS™ is the tasty, convenient way to complement your daily intake of phytonutrients from whole fruits.

WHAT IS FRUITS

A nutrient-dense powdered drink supplement made from a proprietary blend of more than 30 premium fruits and vegetables.

HOW IT WORKS:

Fruits contains more than 30 natural ingredients from fruits, vegetables, herbs and botanicals to provide a variety of phytonutrients and antioxidants to support overall health and well-being.† Each serving of Fruits is 25 calories and contains 1 gram of sugar.

COMBATING THE AVERAGE DIET

Most people do not consume the daily recommended intake of colorful fruits and vegetables. Fruits is a quick, easy, and delicious way to get more phytonutrients and complement a healthy diet of whole fruits and vegetables.†
